5) Social Media and community activity: Our online presence continues to be a valuable link to members and community. We have 179 followers on Facebook and 109 followers on a new platform: Cyclovia page.

RDABC participation in the National Pedal Poll had 9 volunteers counting cyclists at multiple locations and time slots, including Spruce Drive, Rotary Trail, CPR Bridge and Piper Creek Bridge in Southbrook. Last year recorded 6.2 per cent of commutes during counts being active commuting, more or less evenly distributed with on-street and off-street riding. The current year's poll count is not yet available.

6) Activities for coming year: Issues regarding regulations on e-bikes – very little public knowledge of what the provincial regulations are. Are signs on trails possible? Can we come up with an idea to present to the City Council?
7) Elections: Nominations:

President: John Johnston

Vice-President: Ken Williamson

Treasurer: Pearl Franz

Secretary: Greg Neiman

MOTION: Greg N/Greg Y: To elect the nominated slate of officers. **CARRIED**
